

Mountain Area Service Committee (MASC) Nominee:

Thank you for your willingness to serve the Mountain Area Service Committee!

Before you complete the enclosed service resume', please make sure that you understand the depth of the commitment. A considerable investment of time, talent, and resources are required to fulfill a MASC position. The continuity of service from member to member is strongly encouraged. However, the position for which you have been nominated will require that you make a commitment of at least one or two years, with the possibility that your term could, as long as you are willing, extend beyond the stated term limits in the MASC guidelines, pending the nomination and election of your replacement.

Subcommittee chairs and vice-chairs are expected to attend all monthly MASC meetings in addition to subcommittee meetings, along with local and regional activities that could augment the growth of your subcommittee. While not required, it is suggested that chairpersons represent MANA at regional workshops and trainings which may require nonrefundable overnight travel and lodging. Your time will need to be allocated for planning and organizing subcommittee business and activities. Talking with other members who have served at the area level may provide additional insight as to the level of commitment involved. You may wish to consult your family and your sponsor before making this commitment.

Service work has many rewards, and it has had a profound effect on the lives of many addicts. However, it is work, and requires dedication and personal sacrifice. We hope you are ready for this challenge and look forward to your presence on the MASC team. If, after careful consideration, you need to decline your nomination, we will understand. Service in Narcotics Anonymous can take many forms, and area service is only one way to carry the message of recovery.

In loving fellowship,

Mountain Area Service Committee
