OPEN FORUM

Ben resigned as Literature Chair.

Chris M talked about research for having an area convention.

Greg said Region is looking for other place to have the regional convention.

Eddy suggested that we ask the speaker at the Woods Party for information on conventions since she has experience with working with conventions.

Phil stated that the literature position is very important and hoping people put real though into it. Phil is willing to help anyone stepping into that position.

Polina has willingness to be literature chair.

Ben is willing to help train someone ready to hand it over.

Greg suggested a hand truck to help haul the literature.

Missy has willingness to be alt treasurer, has financial experience and NA service experience, but does not have clean time requirement. Discussion of implications of waiving clean time requirement.

Catherine pointed out the policy that Alt Treasurer would need to be able to fully take over the Treasurer duties in event of Treasurer unable to fulfill duties.

OLD BUSINESS

Stamps were given to some of the home groups.

Missy nominated for Alternate Treasurer

NEW BUSINESS

**Regarding Your Mountain Area Service Committee of Narcotics
Anonymous Service Nomination**

Dear N.A. Member :

Before you complete your 'Service Resume' form , We would like to ask you to look carefully at service at the Area level.

The position for which you may be nominated will require that you make a commitment of at least 1 (one) year , with the possibility that your commitment could extend for several years. This means that you will be expected to make a considerable investment of your time and resources. For Sub-Committee Chairperson and Vice-Chairperson , this means you should be prepared to attend all monthly Area Service Committee meetings as well as all your scheduled committee meetings. You could be asked to travel and spend time away from your family , your job and your home. You may be asked to spend some of your personal funds in order to fulfill your responsibilities , perhaps to attend workshops , or other activities that could augment the growth of your area of service. Certainly you will have work to do at home in your spare time such as reading or writing reports , and will spend time on the telephone with other trusted servants discussing the plans and objectives of your work.

In order to provide our fellowship with the very best level of service possible , we ask that you carefully consider the responsibilities that go with the elected position for which you may be nominated. You may wish to consult your family , your sponsor or your employer. Talking with other members who have served at the Area level may give you additional insights into the commitment involved. Service work has many rewards and may have a profound , positive effect on your life and personal recovery. However , it does not come without hard work , long hours , dedication and personal sacrifice. If , after careful consideration , you feel the need to decline your nomination at this time , your peers will certainly understand and respect your decision to wait until you can freely make the necessary long-term commitment. Service to Narcotics Anonymous can take many forms , and area service is but one way to carry the message of recovery.

In loving fellowship ,

Mountain Area Service Committee

**Regarding Your Mountain Area Service Committee of Narcotics
Anonymous Service Nomination**

Dear N.A. Member :

Before you complete your Service Resume' form , We would like to ask you to look carefully at service at the Area level.

The position for which you may be nominated will require that you make a commitment of at least 1 (one) year , with the possibility that your commitment could extend for several years. This means that you will be expected to made a considerable investment of your time and resources. For Sub-Committee Chairperson and Vice-Chairperson , this means you should be prepared to attend all monthly Area Service Committee meetings as well as all your scheduled committee meetings. You could be asked to travel and spend time away from your family , your job and your home. You may be asked to spend some of your personal funds in order to fulfill your responsibilities , perhaps to attend workshops , or other activities that could augment the growth of your area of service. Certainly you will have work to do at home in your spare time such as reading or writing reports , and will spend time on the telephone with other trusted servants discussing the plans and objectives of your work.

In order to provide our fellowship with the very best level of service possible , we ask that you carefully consider the responsibilities that go with the elected position for which you may be nominated. You may wish to consult your family , your sponsor or your employer. Talking with other members who have served at the Area level may give you additional insights into the commitment involved. Service work has many rewards and may have a profound , positive effect on your life and personal recovery. However , it does not come without hard work , long hours , dedication and personal sacrifice. If , after careful consideration , you feel the need to decline your nomination at this time , your peers will certainly understand and respect your decision to wait until you can freely make the necessary long-term commitment. Service to Narcotics Anonymous can take many forms , and area service is but one way to carry the message of recovery.

In loving fellowship ,

Mountain Area Service Commitee
