OPEN FORUM

Cliff- Newport meeting full of flood supplies, no meeting currently

Greg- Mentioned starting Fellowship Development Committee. It would umbrella all subcommittees. Everyone could be cross trained and reports other areas having success doing this.

Angela- Asked how we would do that

Greg- stated info is on the NAWS website

Diane- The umbrella needs to be researched by an Ad-hoc committee

Missy- Would need motion to see if groups wanted to do it

Rick- 50% vacancy across committee boards. I think the focus should be on convention so it can be successful. I think we are struggling and should not have structure change at this time.

Greg-Greg agrees. Restructuring takes a couple years, and it is not overnight. Maybe down the road we could consider it.

Kris- put in motion for \$300 for convention committee to continue to support financial need. Expenses are around \$10,000. The convention will continue to look at finances. Anything above prudent reserve will come back to the area that the convention brings in.

Jamie-Please stay for convention committee meeting, we need support.
