Regional Committee Member Report

September 20, 2026

Good afternoon to you all,

As I explained in July, I was absent from the August Area Service Committee meeting due to out of state travel. I would like to thank Greg V. for his expanded report detailing the events at WSC to this body in my absence. I have a copy of my August report that will be submitted today with this report.

I attended the September Mid-Casual Meeting, ZOOM only, on September 16, 2026.

During this meeting the issue of liability insurance was again a topic. A company that has experience with insuring 12 step programs has been contacted and hopefully this issue can move forward soon. The company is, Higgenbotham Insurance Company.

Currently there has been some inconsistent reporting with regards to the Regional Treasury. Nothing that would indicate any missing funds or misappropriation, just a need for itemization of monetary actions. There has been a change in the person doing the Regional Treasury and currently members are assisting him in producing a more detailed report of income and expenses, rather than just a running balance of the accounts. That being said, as of September 16, 2026, the balance is \$14,983. After the November RSC I will provide a more complete accounting of RSC monies.

VRC 44 has a new Chairperson, as the former individual had to step down due to personal reasons. Mike W. is the new VRC 44 Chairman. VRC 44 currently has 68 registrations. They have sold 64 of their 90 room night block. Also, there has been 7 Saturday night dinner tickets sold. 75 dinners is the minimum needed to be sold.

Please remind your groups that the *Alternate RCM position* is open at this ASC. Also, there are vacancies at Region for; Policy & Procedures, and H&I.

Thank you for letting me be of service,

Rick M.

RCM Regional Report

August 1st, 2026

Good day to y'all,

The mountain Area is doing well. At our last ASC we had 13 of 19 groups present and voting. We have 40 meetings per week as of this date.

One group, "Between the Lakes", has decided to leave MANA and join the Knoxville Area.

The ASC has the following vacancies in the Admin body; Vice chair, Alt. Literature, Alt.RCM, P7P, and Outreach.

H&I is supporting 11 different facilities and requests for more meetings is steadily increasing. H&I is planning a learning Day event in Late September. This event will also have speakers talking about various Service position in the ASC boy in order to encourage more members to step up and be of service to the MANA.

The Unity in the Mountains Convention is on tract and fiscally in the black. We have met our funding goals and have only a couple of room nights left to meet our contracted number of room nights.

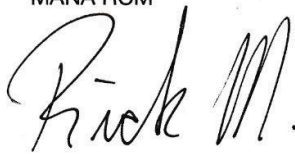

Our Area is currently voting on a Motion to standardize our Admin election to occur annually in November and new service terms to start January 1st.

The issue of obtaining liability insurance for our area is on going. Hopefully this issue will be resolved soon as efforts too fine tune the policy details continues.

Our area made a Regional donation in July of \$2,000 dollars and \$500 dollar donation to the WSO.

Thank you for letting me be of service,

Rick M.

Unity in the Mountains Convention Committee Report

September 20, 2026

Hello ASC members,

The Convention committee met most recently on September 12, 2026. All subcommittees were present but two. Those absent did so with notice. The Vice-Chair position remains vacant.

Merchandise continues to sell pre-convention t-shirts, with only a few remaining. The last date that convention merchandise can be ordered online is September 30, 2026. Convention merchandise order will be placed on October 3, 2026. We have contracted with a outside vendor, *NAWEARS*, to provide merchandise, textiles, and jewelry during the convention. This vender is currently licensed by the World Service Office to sell NA merchandise.

Registration has received a total of 119 convention registrations to date. The registration packet contents have been finalized. The order for the packets has been placed. Registration is well within their budget for this convention. A determination was made that identifies a New Comer as a clean time of 60 days or less.

Programming Travel arrangements have been made for all the main speakers. Workshops are scheduled and speakers are nearly completed.

Fundraising the BBQ & Speaker meeting was very successful. The final deposit for the event was \$708. Currently there is only one more event planned before the convention. Plans for a Bingo Night are being made for the evening of October 3rd. A flyer will be posted to the MANA webpage event calendar.

Hospitality is finalizing the the food and snack menu for the weekend. These items will be provided at no charge to all attendees of the convention.

Treasure Report A payment of \$3,000 was made to the Hotel. The hotel cost is now paid in full except for the final Administration fee that will be made know at the end of the convention. We anticipate this amount to be approximately \$2,000 which will be due within 7 days of the convention ending. Please find attached to this report a copy of the most recent finale report. The current balance on the ledger is \$9,115.15.

The next meeting of the committee will be on October 10th. 10am at JCRC. We will be meeting again on October 24th. At this meeting we will be making a decision about future conventions being on an annual or bi-annual cycle. We have scheduled December 5th as our final wrap-up meeting. We STRONGLY encourage any and all members interested in convention service to attend this meeting. Our final report will be submitted to the ASC along with a recommendation for the next convention chairperson. We will announce the date for the first formation meeting for the next convention at the December ASC as well.

Thank you for letting me be of service,

Rick M.
UMCC Chairperson
